

## **Preparing for Burial**

- Contact us to schedule an appointment to select a plot
  - Pre-purchased plots: We can schedule a burial date at this time and take care of any remaining documentation, payment, etc. at that time as well.
- Please try to be on time to your scheduled appointment – If you are more than 30 minutes late we may need to reschedule
- We will help you choose a plot, select the appropriate casket size for your pet, and assist you in selecting a marker
- We will complete all necessary documentation and schedule a date and time for burial\* - If the burial date is the following day, we will provide the casket for you to take with you so that you can transport your pet securely, as well as place any personal items you may wish to keep with your pet.

## **What Happens Next?**

- The plot will be prepared and ready for your scheduled burial date and time
- Our staff will remain on standby so that they may complete the burial once your services are completed
- If you have ordered a marker, we will contact you once it is installed

\*We will do our best to accommodate you when scheduling a burial date and time, however we generally need at least 24 hours' notice.
